

VL

Innovative self-lifting stacker

DESCRIPTION

The VL self-lifting stacker is an innovative and cutting-edge material handling equipment. It can load and unload pallets up to 550 kg in light commercial vehicles and trucks.

As the stacker lifts itself into the truck, it considerably reduces loading and unloading time and improves the operator's comfort.

FEATURES

- Load capacity of 550 kg
- Safe and quick loading
- No additional help or equipment needed
- Three versions : MINI, PRO et PROMAX
- Prevents MSD (Musculoskeletal disorders)

EXCLUSIVE PARTNER **VANLIFT**
