

HS540M ♦ HS680M

316 stainless steel manual scissor lift pallet truck
1000 kg maximum load capacity

**316 STAINLESS STEEL:
 FOOD AND CHEMICALS**

FEATURES

- Handy, robust and effective
- All exposed parts are stainless steel to ensure long-lasting corrosion resistance
- Its lifting capacity supports 1000 kg real load transport and up to 800 mm lift height
- Two rear stabilizing bars prevent the unit from moving when lift height reaches 300mm for excellent stability
 - An essential equipment for industries required to meet high level of hygiene and / or corrosion resistance standards
 - Combines the advantages of a manual pallet truck and a lift table
 - Nylon steering wheels and rollers
 - The high frame ensures a better user protection

Photos and dimensions are not contractual. The manufacturer reserves the right to make any modification without notice, in order to improve the performance of the equipment.
