

# SAC15

Graphite  
SERIES

## Hand truck for cylinder load 200 kg

### FEATURES

- Light and easy to handle, reinforced frame for enhanced robustness
- Curved back frame ideal for kegs or cylinder tanks transport
- Premium wheels equipped with ball bearings provide excellent rolling performance
- Large-diameter wheels glide over curbs and ensure a smooth rolling
- Containment strap included

**DOUBLE SEALED BALL BEARINGS**

**SCRATCH-RESISTANT HAMMER PAINT**

**REINFORCED WHEEL LOCK**

**4 MODELS AVAILABLE**

**RG**

High-quality pneumatic wheel with high density PP body

**RSB**

High-quality non-marking silent blue elastic rubber wheel

**RSN**

High-quality silent black elastic rubber wheel

**RINC**

High-quality puncture-proof non-marking silent foam wheel
